

## DECLARATION OF CONFORMITY

**Manufacturer:**

**Vemat Motori S.r.l.**

**Registered office:** Via Pantano, 2  
20122 Milano

**Plant and administrative headquarters:**

Via Gualda, 10  
36075 Montecchio Maggiore (VI)

### HEREBY DECLARES THAT

**Products:** 3-phase induction motors series “VTB / VT1 / 2VTB / 3VTB” with center heights from 56mm to 450mm  
1-phase induction motors series “VMB / VMC” with center heights from 56mm to 100mm

are comply with the following European Directives:

- **Low voltage Directive:** Ex 2006/95/EC modify with **2014/35/UE** on the 20/04/2016
- **Directive 2009/125/EC** motor in compliance with requirements stated in the EC 640/2009 issued from the Commission of 22 July 2009, regarding the eco-design of electric motors.

and satisfy the main requirements of the followings directives:

- **EMC directive:** **2014/30/UE** regarding the intrinsic characteristics to emission and immunity levels

and follow other main standard rules:

- **EN 60034-1-2010** Rotating electrical machines: rating and performance;
- **EN 60034-30-2014** Rotating electrical machines: energy classification;
- **EN 60034-5-2001** Rotating electrical machines: classification of degrees of protection;

#### Additional information

As per project, the machines, considered as components (nearly machines), are comply with the essential requirements of:

- **Machinery Directive** 2006/42/EC, provided that the installation has been correctly performed by the manufacturers of the machineries.
- **Directive RoHS** 2002/95/EC, on restriction application of dangerous substance.

**Marking CE since 1996**
